LICENSING PROCESS CONSULTANT**

The signatory Parties to the “Second Amended Planning Agreement for the Potter Valley Project” (Attachment A), as may be further amended (“Second Amended Planning Agreement”), hereby agree to this Memorandum of Understanding for Cost Sharing for Integrated Licensing Process Consultant (“MOU”), effective _____, 2020.

RECITALS

WHEREAS, California Trout, Inc., Mendocino County Inland Water and Power Commission, Sonoma County Water Agency, the County of Humboldt, and the Round Valley Indian Tribes (collectively “Parties”) have agreed to work together to study the feasibility of forming a regional entity as successor licensee to Pacific Gas and Electric Company (“PG&E”) and an application for a license for the Potter Valley Project (“Project”) that will advance the Parties’ Shared Objectives set forth in the Second Amended Planning Agreement in a manner that reflects the goals of the Two-Basin Solution proposed by the Potter Valley Project Ad Hoc Committee; and

WHEREAS, recognizing that resources will be required to further the Federal Energy Regulatory Commission’s (“FERC”) Integrated Licensing Process (“ILP”) towards applying for a license for the Project, the Parties have agreed to fund the effort in an amount of at least \$420,000, and such funds will be used to engage joint consultants; and

WHEREAS, California Trout, Inc., Mendocino County Inland Water and Power Commission, Sonoma County Water Agency, and the Round Valley Indian Tribes have each agreed to contribute \$100,000, and the County of Humboldt has agreed to contribute \$20,000; and

NOW, THEREFORE, Parties hereto agree as follows:
